Hi Ann,

I have attached the Location form that I would need filled out to submit to our Headquarters saying we have permission to hold classes on your property. I have also attached our insurance we hold as well for your records.

Also, I just want to clarify a few things for payment. Headquarters will be cutting the check to the City of El Lago for \$10.00 per class that Paige holds at the McNair Park location. This payment comes out of the check to Paige before she is reimbursed from the clients.

Address:

Pay to order of:

Official Schedule:

September 5th

M TU TH 5am McNair Park Pavilion

M W 6:15pm McNair Park Green Space, Pavilion for rain out

You also mentioned a signed paper stating she has permission to hold classes there from the city. Will she need to pick this up in person or will you be sending this via email?

Thanks so much for camp gladiator to impact your community. We are looking forward to this relationship.

Chase.
